Shareholders will be able to collect the dividend, gross or net of withholding taxes, depending on the applicable tax regime, exclusively from their respective intermediaries.

Remuneration Policy

The today's Shareholders' Meeting has approved the first Section of the Report on Remuneration, which illustrates the company policy on the compensation of directors and managers with strategic responsibilities for the fiscal year ending on 31 March 2024, in accordance with Article 123-ter, paragraphs 3-bis and 6, of the TUF. The Shareholders' Meeting also expressed a favorable opinion on the second Section of the Report on Remuneration and the compensation paid pursuant to the aforementioned article 123-ter, paragraph 4, of the TUF.

Treasury Shares Purchase

The today's Shareholders' Meeting also approved:

(a) to revoke the previous authorization for the purchase and disposal of treasury shares taken in execution of the resolution of the Ordinary Shareholders' Meeting held on 25 July 2022;

(b) to authorize to purchase the Company's ordinary shares, in one or more tranches, up to the maximum allowed by law, considering to the treasury shares held directly and those held by subsidiaries. The purchase may take place, pursuant to Article 2357, paragraph 1 of the Italian Civil Code, within the limits of the distributable profits and available reserves resulting from the last approved financial statements, by reducing, pursuant to Article 2357-ter, paragraph 3 of the Italian Civil Code, the net assets of the same amount by recording, in the liabilities side of the financial statement, a specific item with a negative sign. In the event of a purchase of shares or their sale,

exchange or contribution, must be made the appropriate accounting records in accordance with legal provisions and the applicable accounting principles.

In the event of sale, exchange or contribution, that amount may be reused for further purchases until the expiry of the shareholders' meeting authorization, subject to quantitative and spending limits, as well as the conditions set out by the Shareholders' Meeting.

The authorization to purchase shares is granted for a period starting from the date of the Shareholders' Meeting until the approval of the Financial Statements as of March 31, 2024.

The share purchase price will be identified accordingly from time to time, with regard to the method preselected for the execution of the operation and in accordance with the Law provisions, regulations or accepted market practices, within a minimum and a maximum which may be determined pursuant to the following criteria:

- the minimum purchase consideration must not in any case be 20% lower than the reference price which the share registered during the Stock Exchange session on the day before each transaction;
- the maximum purchase consideration must not in any case be 10% higher than the reference price which the share registered during the Stock Exchange session on the day before each transaction.

If the treasury share purchase operations are executed within the accepted market practices with reference to the liquidity support activity referred to in point 1 of Consob Resolution 16839/2009, without prejudice to the further limits provided for by such Resolution, the price for the purchase negotiation proposals must not be higher than the higher of the price of the most recent independent transaction or the current price of the highest independent purchase negotiation proposal present in the market in which the purchase proposals are submitted.

Such transactions may be executed in one or more tranches, purchasing shares pursuant to Article 144-bis, paragraph 1, letter b) of the Issuers' Regulation, on the stock markets or on multilateral trading facilities, which do not permit the direct combination of the purchase negotiation proposals with predetermined sale negotiation proposals, in accordance with the operating rules set out in the organization and management regulations of the markets, in compliance with Article 2357 and subsequent of the Italian Civil Code, equal treatment of shareholders and applicable rules and regulations, including the principles set out in Article 132 of the Consolidated Financial Act and of EU Regulation n. 596/2014 of April 16, 2014 and its implementing provisions, where applicable. The purchases may be executed with methods different from those indicated above pursuant to Article 132, paragraph 3, of the Consolidated Financial Act or other regulations from time to time applicable at the time of the transaction.

(c) to authorize pursuant to Article 2357-ter of the Italian Civil Code, to sell, in one or more instalments, the treasury shares purchased according to the present resolution, or in any case held by the Company, even before having terminate the maximum number of shares purchased, and possibly to buy back the same shares to such an extent that the treasury shares held by the Company do not exceed the limit established by the authorization. The authorization to sell is resolved starting from the date of the present resolution with no time limits. If a selling transaction of treasury shares may occur, the consideration, which will be set by the Board of Directors with the possibility to sub-delegate to one or more directors shall be not 20% lower than the reference price which the shares registered during the Stock Exchange session on the day before each transaction. If the treasury share selling transactions are carried out within the accepted practices in relation to the market liquidity support activity, as referred to in point 1 of Consob Resolution 16839/2009, without prejudice to the further limits provided for by that Resolution, the price for the sale negotiation proposals must not be lower than the lower of the price of the most recent independent transaction and/or the current price of the lowest independent sale negotiation proposal present in the market in which the sale proposals are submitted. Where treasury shares are used for swaps, exchanges, transfers or in any other disposals not in cash, the financial terms of the transaction will be determined based on the nature and characteristics of the transaction, also taking into account the trends of the Piquadro title on the market.

The disposal of treasury shares may be executed in the manner deemed most appropriate in the interest of the Company, and in any case in compliance with applicable legislation and the market practices; and

(d) to vest the Board of Directors and for him, the directors delegated for this purpose, separately, with the widest possible powers required to give concrete and complete execution to the resolutions referred to in the above points in compliance with the provisions of Article 132 of the Consolidated Financial Act and the disclosures required by Article 144-bis, paragraph 3, of the Issuers' Regulation and, where appropriate, the disclosures required by the aforementioned market practices and EU Regulation no. 596/2014 of April 16, 2014 and the related implementing provisions, where applicable, with the right to purchase and hold own shares, within the limits of the foregoing, also through specialized intermediaries, also in accordance with and for the above mentioned market practice inherent in the liquidity support activity authorized by Consob with resolution no. 16839 of March 19, 2009 and pursuant to EU Regulation no. 596/2014 of April 16, 2014 and its implementing provisions, where applicable.

New Incentive Plan

Lastly, the Shareholders' Meeting approved a new stock-based incentive plan called the 2023-2027 Stock Grant Plan (the "Plan") which may determine the assignment of Piquadro S.p.A. treasury shares – deriving from purchases made in implementation of treasury share buyback plans previously approved by the Company and/or shares purchased on the market – up to a total maximum number of 2 million shares.
